Spa Policy

Arrival

Please arrive fifteen minutes ahead of your scheduled reservation. This allows time for leisurely check-in, a change of clothes and a few quiet moments to relax before your treatment. To ensure the serenity of the spa experience, we ask that you turn off your cellular phone upon arrival. Valuables should not be brought into the facility, as we are not responsible for articles lost or stolen. Arriving late will simply limit the time for your treatment, thus lessening its effectiveness and your pleasure. Your treatment will end on time so that the next guest will not be delayed. It is essential to advise us of any medical illness or conditions you may have. Underwear or suitable swimwear should be worn during the treatments.

Reservations

We highly recommend making your Spa reservation in advance. You can do that directly at the Spa Reception or by calling at 26814000.

Cancellations

As a courtesy to our guests and therapists, please give a minimum of three hours notice if you must cancel your appointment. All no-show appointments will be charged in full.

Children

We welcome the participants over the age of 18. This is to preserve the calm and relaxing atmosphere that we believe is intrinsic to visit Ayii Anargyri Natural Healing Spa Resort 'Spa'.

Gift Voucher

All of our services are available in gift voucher form. We can make suggestions and help create the perfect gift package.

Gratuities

Gratuities are a matter of personal discretion. They should reflect your level of satisfaction with our services.

Comfort Level During the Treatment

If at any time of the treatment you are not completely comfortable, whether it is the pressure of the massage or the volume of the music, please inform your therapist. This is your time and the services providers are there to make sure your experience is everything that you want it to be.

Please share any comments or queries you might have with your therapist. Your feedback will be very much appreciated.
